

Dear Fellow Parishioners,

March 17, 2020

It is with great sadness that I must inform you that St. Mark's Evangelical Lutheran Church decided to cancel all meetings and activities, including all weekend services. The intention is to prevent the spread of the Coronavirus. We are following the recommendations set forth by the Centers for Disease Control (CDC) related to this pandemic.

Individuals are not permitted to enter any buildings on the church grounds until further notice to keep down the spread of the Coronavirus. You can still communicate with the Church by email and the telephone.

Currently we do not know when the Church will reopen. Please continue to monitor our Facebook page and Website.

During this time of uncertainty, I ask that you keep all people around the world in your daily prayers who are in some way affected by the Coronavirus.

I want to thank you in advance for your corporation and understanding during this Pandemic.

Sincerely,

Reuben S. Pink
